

LAST MINUTE MEMORANDUM

DATE: January 7, 2004

TO: MEMBERS, STATE BOARD OF EDUCATION

FROM: Judy Pinegar, Administrator
Waiver Office, Executive Branch

RE: Item No. W-19 blue

SUBJECT: Request by various school district(s) on behalf of **(20 possible)** school(s) in **Cohort I of the Immediate Intervention and/Underperforming Schools Program** (II/USP) deemed state monitored on Nov 12, 2003, **(Valid API)** to waive **sanctions** in portions of E.C. 52055.5(b), and keep the schools on "watch" for another year. Failing that the district(s) may wish to waive the **timeline** in portions of E.C. 52055.51(d)

This Last Minute Memorandum is to make a correction to W-19, and to clarify the final recommendations in the original Item W-19 before the State Board of Education (SBE).

Correction: In the SBE "short" Agenda and on the Item W-19 write up, the Education Code being waived by the listed districts was erroneously listed as E.C. 52055.5(b). The correct citation is E.C. 52055(h) as applied to Cohort I schools in the Under Performing/Immediate Intervention Program (II/USP).

Clarification: The CDE Recommendations for waivers in Item W-19 are as follows:

The following waivers are recommended by CDE for Approval:

8-12-2002	Central UHSD	Central High School and Southwestern High School	Approval
-----------	--------------	--	----------

The following waivers are recommended by CDE for Denial:
