LAST MINUTE MEMORANDUM

DATE: June 24, 2004

TO: MEMBERS, STATE BOARD OF EDUCATION

FROM: Sue Stickel, Deputy Superintendent
Curriculum and Instruction Branch

RE: Item No. 25

SUBJECT: Mathematics and Reading Professional Development Program (AB 466):
Approve Local Education Agencies' (LEAs) Reimbursement Requests

As a condition of the receipt of funds, *Education Code* Section 99237(a) requires that an LEA submit to the State Board of Education (SBE) a statement of assurances certified by the appropriate agency official and approved in a public session by the agency's governing body. LEAs participating in the AB 466 program provide this proof of compliance with assurances by submitting a signed application. Each LEA submitting a Request for Reimbursement form additionally provides summary information necessary to calculate the LEA's reimbursement as well as data that will be included in the program's mandated final report.

The attached lists display LEA applications and Requests for Reimbursement forms received by the CDE after the deadline for submission of regular July 2004 SBE items. These lists are supplementary to the lists included in the printed agenda item.

The specific amount for each LEA will be determined by CDE staff in accordance with the established practice for this program. The CDE is currently gathering information from LEAs to pay claims for training that will have been completed by June 30, 2004. This information will enable the CDE to maximize the use of available 2003-04 funding.
