Recommendation:

The California Department of Education (CDE) will provide a complete analysis to the State Board of Education (SBE) with the supplemental mailing.

Summary of Previous State Board of Education Discussion and Action

SBE Authority to Grant Charters: Pursuant to *Education Code* Section 47605(j), as of January 1, 1999, a charter school that has been denied approval by a local chartering entity may petition the SBE to approve the charter

Previous Requests: Since January 1999, the SBE has reviewed several charter petitions that had been denied at the local level and has to date approved seven such requests. At its December 2000 meeting, the SBE approved two charter schools: the Oakland Military Institute in Alameda County and the Ridgecrest Charter School in Kern County. These two charter schools opened at the beginning of the 2001-02 school year under oversight of the SBE. In July 2001, the SBE approved the renewal of the Edison Charter Academy in San Francisco, which had previously been denied renewal by the district. At its December 2001 meeting, the SBE approved the New West Charter Middle School and the Animo Inglewood Charter High School, both of which are located in Los Angeles County. In September 2002, the SBE approved the School of Arts and Enterprise, also located in Los Angeles County. Finally, in February 2003, the SBE approved the Knowledge Is Power Program (KIPP) Summit Academy in Alameda County.

Oversight of Charter Schools by the SBE: Regulations regarding the review, approval, and oversight of previously denied charters were developed and approved by the SBE at its December 2001, meeting and are currently in use.

At its October 2001 meeting, the SBE also established an Advisory Commission on Charter Schools (ACCS) and charged it with a number of responsibilities, including advising the SBE on charter petitions that have been denied at the local level.

Summary of Key Issue(s)

The SBE originally heard this appeal at its September 2002 meeting. At that time, the ACCS had recommended approval of the appeal. However, the State Superintendent of Public Instruction and CDE staff had many concerns with the proposed charter. The SBE encouraged the petitioners to revise the petition and submit it again to the Pomona Unified School District for consideration. In the event that the petition was not approved by February 2003, the SBE

Summary of Key Issue(s)

expressed its intent to approve the petition.

The petition to establish the charter school was denied again by the Pomona Unified School District on January 14, 2003. On January 21, 2003, CDE received the second request from the ACT petitioners to authorize the charter school proposed to be located in the City of Pomona in Los Angeles County.

This item will provide for a public hearing on this charter proposal. According to *Education Code* Section 47605(b), at the public hearing, the SBE “shall consider the level of support for the petition by teachers employed by the district, other employees of the district and parents.”
