### RECOMMENDATION

The California Department of Education (CDE) recommends that the State Board of Education approve the attached list of local educational agencies (LEAs) and Consortia that have submitted applications for funding under The Principal Training Program (AB 75), with specific amounts for each LEA or Consortium to be determined by CDE staff in accordance with the established practice for this program.

---

### SUMMARY OF PREVIOUS STATE BOARD OF EDUCATION DISCUSSION AND ACTION

The State Board of Education approved criteria and requirements for The Principal Training Program applications at the February 2002 meeting.

---

### SUMMARY OF KEY ISSUES

The Principal Training Program requires the State Board of Education to approve all applications for funding.

---

### FISCAL ANALYSIS (AS APPROPRIATE)

Administration of funding is dependent upon further information to be provided by LEAs and Consortia, such as names of administrator participants, and number of hours in actual training. It is feasible that initial award requests will be amended throughout the life of the Principal Training Program. The estimated allocation resulting from approval of these applications in this agenda item is \$30,000.
