SUMMARY OF KEY ISSUES

Education Code (EC) Section 49550 states that each needy child who attends a public school be provided a nutritionally adequate free or reduced-price meal every school day. The following district has requested a waiver of EC Section 49550 for the summer of 2004, and has certified their compliance with all required conditions necessary to obtain a waiver.

EC Section 49548 allows a waiver of EC Section 49550 during summer school if the district seeking the waiver has met *at least two* of the following four criteria:

Criteria One:

- The summer school session is of less than four hours duration and is completed by noon, allowing pupils to go home during the lunch period.

Criteria Two:

- Less than 10 percent of needy pupils attending the summer school session are at the schoolsite for more than three hours per day.

Criteria Three:

- A Summer Food Service Program for Children site is available within the school attendance area.

Criteria Four:

- Serving meals during the summer school session would result in a financial loss to the school district, documented by the district, in an amount equal to one-third of the food service net cash resources or, if those cash resources are

nonexistent, an amount equivalent to one month's operating costs.

In order for a district to be approved, it must meet two of the four required criteria at each site requesting a waiver. This district does not meet **any of the four** criteria at its requested site as outlined below:

- Although this district's summer school session is over by noon, it is not less than four hours long;
- All children remain on-site for more than three hours;
- There is no Summer Food Service Program for children within the attendance area of the school site; and
- Although the district will suffer a financial loss, it is not equal to one month's operating costs.

On March 17, 2004, Lassen Union High School District's waiver was received and reviewed by the California Department of Education (CDE). During the review process, it was noted that the district met none of the criteria. CDE contacted Ms. Sondra Base, Food Service Manager for the Lassen Union High School District. During the conversation, CDE staff explained the waiver process and how each criteria was not being met. This phone conversation was followed up on several occasions with e-mail messages requesting a corrected waiver and the supporting documentation for each criteria the district met.

Ms. Base was given a final deadline of March 24, 2004 to file a corrected waiver. Nutrition Services Division has not received any additional information from the district.

Authority for the Waiver: *Education Code (EC) Section 49548.*

Bargaining unit(s) consulted on date(s): Not required for summer school waivers.

Local board approval date(s): 3/9/04

FISCAL ANALYSIS (AS APPROPRIATE)

For programs operating a summer school program in previous years, denial of the waiver will not impact the draw on Proposition 98 funds or local finances.
