Recommendation:

Approve the local educational agencies (LEAs) applications for Gifted and Talented Education (GATE) program funding. The list of local educational agencies recommended for approval is provided in Attachments 1-6.

Summary of Previous State Board of Education Discussion and Action

The State Board of Education annually approves local education agency applications for GATE program funding in accordance with Education Code Section 52212.

Summary of Key Issue(s)

Education Code Section 52212 authorizes the State Board to approve LEA GATE applications for one, two, three or five years based on the quality of the LEA GATE plans evaluated in accordance with the Recommended Standards for Programs for Gifted and Talented Students.

Fiscal Analysis (as appropriate)

The FY 2003-04 State Budget appropriation for the Gifted and Talented Education Program is \$42,578,000. An additional \$3,958,000 was deferred to the FY 2004-05 for a total appropriation of \$46,536,000. The deferred amount is included in the local educational agency (LEA) funding calculations for FY 2003-04 even though it will not be disbursed until after the new fiscal year. This amount represents a reduction of \$10 million in GATE funding for FY 2003-04 as compared with \$56,536,000 appropriated in FY 2002-03. The funding level is approximately \$8.00 per ADA. With the reduction in state funding and a possible additional deficit factor, the LEA's requested amount may be reduced by approximately 18 to 20 percent.

GIFTED AND TALENTED EDUCATION PROGRAM FUNDING SUMMARY

The FY 2003-04 State Budget appropriation for the Gifted and Talented Education Program is \$42,578,000. An additional \$3,958,000 was deferred to the 2004-05 FY for a total appropriation of \$46,536,000. The deferred amount is included in the local educational agency (LEA) funding calculations for FY 2003-04 even though it will not be disbursed until after the new fiscal year. Per Education Code 52211, LEA GATE apportionments are calculated through a funding formula that uses the prior year's statewide average daily attendance (ADA) in kindergarten and grades 1-12, reported by all participating districts at the second principal apportionment, to determine the per pupil GATE funding for each LEA. LEAs with less than 1,500 ADA receive \$2,500 or not less than the amount received in FY 1998-99. No district receives less per ADA than the amount it received in FY 1999-2000. The funding level is approximately \$8.00 per ADA. An additional deficit factor may be applied in order to align the GATE funding calculations with the available State funding which may reduce LEA's requested amount by approximately 18 to 20 percent.

The table below represents districts that submitted new 2003-04 applications and were approved for one, two, or three-year funding.
