RE: Request for Reconsideration of Nonclassroom-Based Funding Determination

Dear Charter Schools Division:

Porterville Unified School District is requesting reconsideration of the funding determination for the Butterfield Charter High School for the 2013-14 and the 2014-15 school years. Attached please find an updated Request for Nonclassroom-Based Funding Determination form indicating that the site merits a reconsideration of funding, based on expenditures. In addition, updated financial information is attached that provides detail of those expenditures. Our understanding is the site qualifies for 100% funding for both years based on an approval of the reconsideration.

Thank you for your assistance and guidance through this process.

Regards,

Ken Gibbs, Ed.D.
Assistant Superintendent
