Re: Description of Changes to The Baypoint Preparatory Academy Charter Petition Necessary to Reflect the State Board of Education as the Authorizing Entity

Dear Ms. Chan:

The Baypoint Preparatory Academy (the "Charter School") charter petition was submitted to Hemet Unified School District on September 12, 2014. The District Board voted to deny the petition on November 18, 2014. The charter petition was then denied on appeal by the Riverside County Board of Education on February 11, 2015.

The Charter School respectfully submits its charter petition on appeal to the State Board of Education (SBE) in accordance with Education Code Section 47605(j)(1), and Title 5, California Code of Regulations ("5 CCR") Sections 11967(a) and 11967(d).

In accordance with the requirements of 5 CCR Section 11967(b)(4), we have listed below the relevant and appropriate changes to the charter petition which are necessary to reflect approval by the SBE:

1. Chartering Authority

Any text referring to Hemet Unified School District, HUSD, or the District as the chartering authority or oversight agency would be revised to read "State Board of Education," "California Department of Education," "SBE," or the "CDE."

2. Dispute Resolution

The Dispute Resolution language in the charter petition will be followed by the paragraph below:

"The Charter School recognizes that, because the SBE is not a local educational agency, the State Board of Education may choose to resolve a dispute directly instead of pursuing the dispute resolution process specified in the charter, it must first hold a public hearing to consider arguments for and against the direct resolution of the dispute instead of pursuing the dispute resolution process specified in the charter."

3. Technical Amendments

The Charter School will comply with any and all technical amendments to its charter as required by the SBE and CDE.

In a timely manner, we will make every effort to submit any supplemental documentation that the SBE or CDE may request.

We look forward to working with the SBE and the CDE during consideration of the charter petition. Please feel free to contact me (nspencer@bayshoreprep.org; 760-471-0847) if you have any questions.

Sincerely,
