RECOMMENDATION

California Department of Education (CDE) staff recommends that the State Board of Education (SBE) consider comments received during the public comment period and at the public hearing, and take action to adopt the regulations.

SUMMARY OF PREVIOUS STATE BOARD OF EDUCATION DISCUSSION AND ACTION

At the January 2004 meeting, the SBE took action to approve the proposed regulations, the Initial Statement of Reasons, and the Notice of Proposed Rulemaking, with technical modifications from the Executive Director of the SBE; direct staff to proceed with the 45-day public comment period in accordance with the Administrative Procedure Act; and direct staff to conduct a public hearing on the proposed regulations pursuant to *California Code of Regulations*, Title 5, Section 18460.

The public comment period will end and the public hearing will be held on March 8, 2004. A summary of the public comments will be provided in the CDE staff presentation at the March 2004 meeting.

SUMMARY OF KEY ISSUES

AB 1994 (Chapter 1058, Statutes of 2002) contained a number of significant programmatic provisions affecting charter schools, and the bill requires the SBE to adopt regulations to implement certain aspects of the statutory changes. The Advisory Commission on Charter Schools (ACCS) discussed various versions of AB 1994 programmatic implementation regulations on several occasions, both in concept and with regard to certain specific elements. During August 2003, SBE members received an information memorandum with a version of the permanent regulations that the ACCS had tentatively endorsed in July. However, at its September 2003 meeting, the ACCS considered the regulations further, and proposed several significant changes. The attached text, which was also provided as part of an information memorandum in October 2003 and approved by the SBE in January 2004, reflects the ACCS-recommended changes.

SUMMARY OF KEY ISSUES - CONTINUED

This proposed regulation has been separated from the other AB 1994 regulations in an effort to get them adopted and approved by the Second Principal Apportionment in June 2004. There is concern that some of the provisions of the other programmatic regulations may generate controversy and take longer to get through the adoption process. The funding mechanism proposed in this regulation is modeled after the existing funding method for other county-approved charter schools; therefore, it is anticipated that the adoption process for this regulation could be more straightforward. The other AB 1994 programmatic regulations are also before the SBE this month to commence the rulemaking process.

FISCAL ANALYSIS (AS APPROPRIATE)

There is no state or local fiscal impact resulting from these regulations. The activities specified in the regulations are necessary to implement AB 1994.

AUTHORITY AND REFERENCE

Authority for these regulations is found in *Education Code* Section 33031. *Education Code* Section 33031 is the State Board's general authority to adopt rules and regulations for the government of the day and evening schools of the state that are not inconsistent with the requirement of statute.

Additional authority is provided in *Education Code* Section 47605.6(b)(5)(I), which requires the State Board to adopt regulations to determine the manner in which financial audits for countywide charter schools shall be conducted.

References are made to *Education Code* sections 47632 and 47651. These statutes govern the funding of charter schools.

INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

The proposed regulation is necessary to fund and to determine the manner in which financial audits shall be conducted for countywide charter schools, which were established by Assembly Bill (AB) 1994 (Chapter 1058, Statutes of 2002).

Specifically, this adds Section 11967.8 to Title 5 of the California Code of Regulations to provide technical clarity regarding the funding calculation and process for providing operational funding to countywide charter schools. This section addresses a similar issue as that addressed in Section 11967.7 above but for countywide, rather than statewide charters. However, in this case, the regulations apply an exiting statutory definition of “sponsoring local education agency” that is currently applied to other county-authorized charter schools.

DISCLOSURES REGARDING THE PROPOSED ACTION

Mandate on local agencies and school districts: None

Cost or savings to any state agency: None

Costs to any local agency or school district that must be reimbursed in accordance with Government Code Section 17561: None

Other non-discretionary cost or savings imposed on local educational agencies: None

Cost or savings in federal funding to the state: None

Significant, statewide adverse economic impact directly affecting business including the ability of California businesses to compete with businesses in other states: None.

Cost impacts on a representative private person or businesses: The State Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

Adoption of this regulation will not:

- (1) create or eliminate jobs within California;
- (2) create new businesses or eliminate existing businesses within California; or
- (3) affect the expansion of businesses currently doing business within California.

Significant effect on housing costs: None.

Effect on small businesses: The proposed amendments to the regulations do not have an effect on small businesses because they provide a process for a new type of charter school to obtain funding and therefore,

have no effect on existing charter schools or small businesses. The proposed regulations do not impose additional workload on small businesses or contractors funded by the Department.

CONSIDERATION OF ALTERNATIVES

In accordance with Government Code Section 11346.5(a)(13), the State Board must determine that no reasonable alternative it considered or that has otherwise been identified and brought to the attention of the State Board, would be more effective in carrying out the purpose for which the action is proposed or would be as effective and less burdensome to affected private persons than the proposed action.

The State Board invites interested persons to present statements or arguments with respect to alternatives to the proposed regulations at the scheduled hearing or during the written comment period.

INITIAL STATEMENT OF REASONS

SECTION 11967.8. Countywide Charter Schools

SPECIFIC PURPOSE OF THE REGULATIONS

The proposed regulations will clarify existing law with regard to the funding process to be used for countywide charter schools, and will determine the manner in which financial audits for countywide charter schools shall be conducted.

NECESSITY/RATIONALE

Assembly Bill (AB) 1994 (Chapter 1058, Statutes of 2002) amended the Charter School Act of 1992, and added *Education Code* Section 47605.6 that creates new responsibilities for county boards of education to review and approve charter schools of countywide interest that propose to operate on multiple sites within the county.

SECTION 11967.8

This section provides technical clarity regarding the funding and operations of countywide charter schools, as well as the conduct of audits and resolution of audit exceptions. The regulations are proposed to be effective for the whole of 2003-04 and each fiscal year thereafter.

Subdivision (a). Clarifies that a countywide charter school is funded in keeping with the funding provisions otherwise applicable to charter schools and is directly funded. These are sensible elaborations on a statute that is incomplete and result in no additional costs to the state for students who attend countywide charter schools in lieu of other charter schools.

Subdivision (b). Clarifies the meaning of “sponsoring local education agency” for purposes of countywide charter schools. This clarification ensures that local tax funds are transferred appropriately to countywide charter schools based upon the revenues accruing to the districts in which the schools’ pupils resides, and ensures that related financial calculations are made properly. This is sensible elaboration on a statute that is incomplete and results in no additional costs to the state for students who attend countywide charter schools in lieu of other charter schools.

Subdivision (c). Clarifies how funds are technically to be allocated on behalf of countywide charter schools. This is a sensible elaboration on a statute that is incomplete and results in no additional costs to the state for students who attend countywide charter schools in lieu of other charter schools.

Subdivision (d). Provides technical authorization for inclusion of countywide charter schools in STRS and PERS (which is clearly envisioned in statute). These are sensible elaborations on a statute that is incomplete and result in no additional costs to the state for students who attend countywide charter schools in lieu of other charter schools.

Subdivision (e). Extends to countywide charter schools the regulations pertaining to audits and resolution of audit exceptions that apply to schools chartered by the State Board of Education on appeal. These are

sensible elaborations and are consistent with the specific direction set forth in Education Code Section 47605.6(b)(5)(I).

TECHNICAL, THEORETICAL, AND/OR EMPIRICAL STUDIES, REPORTS, OR DOCUMENTS.

The State Board did not rely upon any other technical, theoretical, or empirical studies, reports, or documents in proposing the adoption of these regulations.

REASONABLE ALTERNATIVES TO THE REGULATIONS AND THE AGENCY'S REASONS FOR REJECTING THOSE ALTERNATIVES.

The State Board was not presented with other viable alternatives to the adoption of these regulations.

REASONABLE ALTERNATIVES TO THE PROPOSED REGULATORY ACTION THAT WOULD LESSEN ANY ADVERSE IMPACT ON SMALL BUSINESS.

The State Board has not identified any alternatives that would lessen any adverse impact on small business.

EVIDENCE SUPPORTING FINDING OF NO SIGNIFICANT ADVERSE ECONOMIC IMPACT ON ANY BUSINESS.

The proposed regulations would not have a significant adverse economic impact on any business because they provide a process for a new type of charter school to obtain funding and therefore, have no effect on existing charter schools or small businesses.

(e) For the purposes of Education Code Section 47605.6(b)(5)(I), the provisions of paragraph (9) of subdivision (f) of Section 11967.5.1 shall apply. If the school has multiple sites, the charter shall indicate how each of the school's sites will be appropriately included in the processes of auditing and resolving audit exceptions.

This section shall apply for the entire 2003-04 fiscal year and each fiscal year thereafter.
